Cypress Woods at a glance...

- Tennis Courts
- Community Pool and Club House
- Fitness Center
- Gated community

Cypress Woods is located in North Naples Florida and developed by Lennar/U.S. Homes.

Spacious condos & villas surrounded by acres of lakes and preserves. Constructed on 285 acres in the fast-growing North Naples area, Cypress Woods is comprised of four gated neighborhoods surrounded by 110 acres of lakes, cypress preserves and restored marshes maintaining the natural beauty and wildlife of Florida.

Cypress Woods is conveniently located to beaches, shopping and fine dining.

Cypress Woods is a bundled golf community. The amenities include the 18 hole Gordon Lewis designed championship golf course, clubhouse, community pool/spa, exercise facility, tennis court, dining and grill rooms, pro shop, aqua range and two putting greens.

Cypress Woods championship course runs the gamut from the tantalizing #3 to the monstrous #18. The course was designed by Gordon Lewis. Best called "the thinker's paradise" because of the wide variety of shot making and club selections needed. Cypress Woods is challenging yet very playable. With an abundance of virgin cypress stands, yawning sand bunkers, sparkling lakes and pine forests, Cypress Woods provides a breathtaking backdrop of Southwest Florida's natural beauty to complement a uniquely rewarding golf and country club lifestyle.
